Decaf Breakfast

Chamomile

£3.00

Traditionally Chamomile has been drunk to de-stress and relax. Our whole Chamomile Flowers are from Egypt. When infused, the resulting drink is mild and sweet with a honey-like flavour. Chamomile is naturally caffeine free.

Earl Grey

£3.00

Earl Grey tea was named after Charles Grey, the second earl in his line. It is said that the Earl was given the recipe by a Chinese mandarin with whom he was friends, and whose life he had saved. Earl Grey Tea gets its flavours from the oil, which is extracted from the rind of the small acidic Bergamot orange. Our Earl Grey Tea is made using a luxury blend of Chinese Black, Assam and Nilgiri teas with the addition of blue cornflower petals.

Chai Black

£3.00

Inspired by our travels to India sourcing teas, Chai Black Tea brings premium Indian black teas together with a carefully balanced range of traditional chai spices. Experience Indian Chai with its warming, fragrant, and smooth flavour. Try with milk to balance the spiciness and add sugar to taste.

Peppermint

£3.00

Peppermint tea is a naturally caffeine free infusion made from the leaves of the peppermint plant (*Mentha piperata*). Our peppermint is cut leaf and makes a very refreshing brew.

Jade Tips (Green)

£3.00

Xin Yang Mao Jian is a green tea with a fresh, elegant flavour. The tea is grown throughout the countryside around the city of Xin Yang in Henan Province, which gives the tea part of its name. The rest, Mao Jian, means literally 'Hair Point' in reference to the long, fine shape of the leaves.
